Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on January 14,2026. A biomedical device company focused on developing and manufacturing neural hardware solutions for application in medical research using animals when bio-monitoring, recording and stimulation functions are needed. * Neural Recording Equipment * Neural Stimulation Equipment * Data Acquisition Hardware and Software

Abbreviations: TBSI

Synonyms: Triangle BioSystems International

Resource Type: commercial organization

Keywords: computational neuroscience, eeg, eeg, meg, electrocorticography, hardware, other software resource, physiological recording, software

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Triangle BioSystems

Resource ID: SCR_002603

Alternate IDs: nlx_156006

Alternate URLs: <http://www.nitrc.org/projects/tbsi>

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260808T185744+0000
