GeneCards

RRID:SCR_002773

Type: Tool

Proper Citation

GeneCards (RRID:SCR_002773)

Resource Information

URL: <http://genecards.org>

Proper Citation: GeneCards (RRID:SCR_002773)

Description: Database of human genes that provides concise genomic, proteomic, transcriptomic, genetic and functional information on all known and predicted human genes. Information featured in GeneCards includes orthologies, disease relationships, mutations and SNPs, gene expression, gene function, pathways, protein-protein interactions, related drugs and compounds and direct links to cutting edge research reagents and tools such as antibodies, recombinant proteins, clones, expression assays and RNAi reagents.

Abbreviations: GeneCards

Synonyms: GeneCards - The Human Gene Compendium

Resource Type: data or information resource, database

Defining Citation: [PMID:20689021](#)

Keywords: genome, human gene, genome, gene, genomic, proteomic, transcriptomic, genetic, function, ortholog, disease, mutation, single nucleotide polymorphism, gene expression, gene function, pathway, protein-protein interaction, drug, compound, reagent, antibody, recombinant protein, clone, expression assay, rnai reagent, FASEB list

Availability: Free, Freely available

Resource Name: GeneCards

Resource ID: SCR_002773

Alternate IDs: nif-0000-02879, OMICS_01652, r3d100012015

Alternate URLs: <http://bioinfo.weizmann.ac.il/genecards/>,
<https://doi.org/10.17616/R3D643>

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260912T200126+0000

Ratings and Alerts

No rating or validation information has been found for GeneCards.

No alerts have been found for GeneCards.

Data and Source Information
