Gene Ontology

RRID:SCR_002811

Type: Tool

Proper Citation

Gene Ontology (RRID:SCR_002811)

Resource Information

URL: <http://www.geneontology.org/>

Proper Citation: Gene Ontology (RRID:SCR_002811)

Description: Computable knowledge regarding functions of genes and gene products. GO resources include biomedical ontologies that cover molecular domains of all life forms as well as extensive compilations of gene product annotations to these ontologies that provide largely species-neutral, comprehensive statements about what gene products do. Used to standardize representation of gene and gene product attributes across species and databases.

Abbreviations: GO

Synonyms: the Gene Ontology, GO, Gene Ontology Resource, Gene Ontology

Resource Type: consortium, knowledge environment resource, project portal, portal, data or information resource, organization portal

Defining Citation: [PMID:23161678](#), [PMID:10802651](#)

Keywords: gene, product, annotation, molecular, function, cellular, biological, role, database, query, obo, gold standard, bio.tools, FASEB list

Funding: European Union QLRI-CT-2001-0098;
European Union QLRI-CT-2001-00015;
NHGRI P41 HG002273

Availability: Free, Freely available, Available for download

Resource Name: Gene Ontology

Resource ID: SCR_002811

Alternate IDs: biotools:go, OMICS_02278, nif-0000-02915

Alternate URLs: <http://bioportal.bioontology.org/ontologies/GO>, <https://bio.tools/go>

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260731T042643+0000

Ratings and Alerts

No rating or validation information has been found for Gene Ontology.

No alerts have been found for Gene Ontology.

Data and Source Information
