NormFinder

RRID:SCR_003387

Type: Tool

Proper Citation

NormFinder (RRID:SCR_003387)

Resource Information

URL: <http://moma.dk/normfinder-software>

Proper Citation: NormFinder (RRID:SCR_003387)

Description: Software for identifying the optimal normalization gene among a set of candidates. It ranks the set of candidate normalization genes according to their expression stability in a given sample set and given experimental design. It can analyze expression data obtained through any quantitative method e.g. real time RT-PCR and microarray based expression analysis. NormFinder.xla adds the NormFinder functionality directly to Excel. A version for R is also available.

Abbreviations: NormFinder

Synonyms: NormFinder software - Determine the optimal normalization gene

Resource Type: software resource

Defining Citation: [PMID:15289330](#)

Keywords: normalization, gene

Availability: Free, Available for download, Freely available

Resource Name: NormFinder

Resource ID: SCR_003387

Alternate IDs: OMICS_02317

Alternate URLs: <https://www.moma.dk/software/normfinder>

Record Creation Time: 20220129T080218+0000

Record Last Update: 20260912T195557+0000

Ratings and Alerts

No rating or validation information has been found for NormFinder.

No alerts have been found for NormFinder.
