## Edelris

RRID:SCR\_004112

Type: Tool

### Proper Citation

Edelris (RRID:SCR\_004112)

### Resource Information

**URL:** <http://www.edelris.com/>

**Proper Citation:** Edelris (RRID:SCR\_004112)

**Description:** A commercial medicinal chemistry company dedicated to the design and synthesis of natural product-mimetic screening compounds, Hit-to-Lead & Lead Optimization projects and Custom Synthesis. Aiming at the acceleration of the lead discovery and optimization process in pharma and biotech research organizations, EDELIRIS uses its validated chemistry and drug discovery expertise to provide novelty to its customers with exclusive or non-exclusive small molecules and with efficient hit-to-lead optimization capabilities. EDELIRIS has a wide range of services and based on its experience in various and complementary fields, the team is capable to deliver innovative solutions to synthetic and medicinal chemistry problems faced by clients.

**Abbreviations:** Edelris

**Resource Type:** commercial organization

**Keywords:** screening compound, chemical, small molecule, drug discovery, natural product

**Resource Name:** Edelris

**Resource ID:** SCR\_004112

**Alternate IDs:** nlx\_158590

**Record Creation Time:** 20220129T080222+0000

**Record Last Update:** 20260808T185815+0000

### Ratings and Alerts

No rating or validation information has been found for Edelris.

No alerts have been found for Edelris.
