Proper Citation: International Society for Biological and Environmental Repositories (RRID:SCR_005383)

Description: Global biobanking organization that creates opportunities for networking, education, and innovation. ISBER provides a community for harmonizing approaches to emerging challenges in repositories, as well as fostering ideas to create new solutions.

Abbreviations: ISBER

Synonyms: ISBER - International Society for Biological and Environmental Repositories, International Society Biological Environmental Repositories, International Society for Biological and Environmental Repositories (ISBER)

Resource Type: data or information resource, organization portal, portal

Keywords: biobanking organization, networking, education, innovation

Resource Name: International Society for Biological and Environmental Repositories

Resource ID: SCR_005383

Alternate IDs: nlx_144519

Record Creation Time: 20220129T080229+0000

Record Last Update: 20260912T200056+0000
