Proper Citation: Automated Image Registration (RRID:SCR_005944)

Description: A tool for automated registration of 3D (and 2D) images within and across subjects and within and sometimes across imaging modalities. The AIR library can easily incorporate automated image registration into site specific programs adapted to your particular needs.

Abbreviations: AIR

Resource Type: alignment software, data processing software, image analysis software, registration software, software application, software library, software resource, software toolkit

Keywords: registration, alignment

Availability: GNU General Public License

Resource Name: Automated Image Registration

Resource ID: SCR_005944

Alternate IDs: nif-0000-00260

Alternate URLs: <http://www.nitrc.org/projects/air>

Record Creation Time: 20220129T080233+0000

Record Last Update: 20260912T195633+0000
