Analyze Software System

RRID:SCR_005988

Type: Tool

Proper Citation

Analyze Software System (RRID:SCR_005988)

Resource Information

URL: <https://analyzedirect.com/>

Proper Citation: Analyze Software System (RRID:SCR_005988)

Description: Software toolkit for the visualization, segmentation, registration and analysis of multidimensional biomedical imaging data. With Analyze, both anatomic structure and associated function can be studied and fused together for synergistic display and measurement of important structure-to-function relationships.

Synonyms: Analyze Software, Analyzedirect Software, Analyze

Resource Type: data processing software, image analysis software, software application, software resource, software toolkit

Keywords: mesh generation, volumetric analysis, registration, resampling, tractography, image display, rendering, platform environment, development environment, neuroimaging

Availability: Commercially available, Trial available

Resource Name: Analyze Software System

Resource ID: SCR_005988

Alternate IDs: nif-0000-00263

Alternate URLs: <http://www.mayo.edu/bir/Software/Analyze/Analyze.html>;
<https://www.nitrc.org/projects/analyze/>

License: Node-Locked License, Dongle License, Floating License

Record Creation Time: 20220129T080233+0000

Record Last Update: 20260912T195634+0000

Ratings and Alerts

No rating or validation information has been found for Analyze Software System.

No alerts have been found for Analyze Software System.
