Allen Human Brain Atlas

RRID:SCR_007416

Type: Tool

Proper Citation

Allen Human Brain Atlas (RRID:SCR_007416)

Resource Information

URL: <http://human.brain-map.org/static/brainexplorer>

Proper Citation: Allen Human Brain Atlas (RRID:SCR_007416)

Description: Multi modal atlas of human brain that integrates anatomic and genomic information, coupled with suite of visualization and mining tools to create open public resource for brain researchers and other scientists. Data include magnetic resonance imaging (MRI), diffusion tensor imaging (DTI), histology and gene expression data derived from both microarray and in situ hybridization (ISH) approaches. Brain Explorer 2 is desktop software application for viewing human brain anatomy and gene expression data in 3D.

Synonyms: Human Cortex Study, Allen Institute for Brain Science Human Cortex Study, Allen Brain Atlas - Human Brain

Resource Type: atlas, data or information resource, data processing software, data visualization software, database, software application, software resource

Defining Citation: [PMID:23041053](#)

Keywords: atlas, human, brain, anatomic, genomic, data, visualization, mining, tool, MRI, DTI, histology, gene, expression

Funding: Individual private donors ;
U.S. Department of Health and Human Services 1C76HF15069;
U.S. Department of Health and Human Services 1C76HF19619

Availability: Free, Available for download, Freely available

Resource Name: Allen Human Brain Atlas

Resource ID: SCR_007416

Alternate IDs: nif-0000-00506

Old URLs: <http://humancortex.alleninstitute.org>, <http://human.brain-map.org/>

Record Creation Time: 20220129T080241+0000

Record Last Update: 20260912T195654+0000

Ratings and Alerts

No rating or validation information has been found for Allen Human Brain Atlas.

No alerts have been found for Allen Human Brain Atlas.
