IMPUTE

RRID:SCR_009245

Type: Tool

Proper Citation

IMPUTE (RRID:SCR_009245)

Resource Information

URL: <https://mathgen.stats.ox.ac.uk/impute/impute.html>

Proper Citation: IMPUTE (RRID:SCR_009245)

Description: Software application for estimating (imputing) unobserved genotypes in SNP association studies. The program is designed to work seamlessly with the output of the genotype calling program CHIAMO and the population genetic simulator HAPGEN, and it produces output that can be analyzed using the program SNPTEST. (entry from Genetic Analysis Software)

Abbreviations: IMPUTE

Resource Type: software application, software resource

Keywords: gene, genetic, genomic

Resource Name: IMPUTE

Resource ID: SCR_009245

Alternate IDs: nlx_154411

Record Creation Time: 20220129T080251+0000

Record Last Update: 20260912T200242+0000

Ratings and Alerts

No rating or validation information has been found for IMPUTE.

No alerts have been found for IMPUTE.

Data and Source Information

Usage and Citation Metrics

We found 639 mentions in open access literature.

Listed below are recent publications. The full list is available at [SPARC SAWG](#) .
