Proper Citation: Vanderbilt Zebrafish Aquatic Facility (RRID:SCR_010202)

Description: The current zebrafish facility is composed of approximately 100 research tanks available for short and long-term studies, and a significant expansion project is underway. The facility enables investigator access to the unique advantages of the zebrafish model, which provides hundreds of mutant and transgenic zebrafish with unique properties suited for specific experiments. This core's essential mission is to provide a reliable mechanism for incorporation and propagation of new and existing zebrafish lines into the core.

Resource Type: access service resource, core facility, service resource

Resource Name: Vanderbilt Zebrafish Aquatic Facility

Resource ID: SCR_010202

Alternate IDs: nlx_156681
