NeuroLOG

RRID:SCR_010582

Type: Tool

Proper Citation

NeuroLOG (RRID:SCR_010582)

Resource Information

URL: <http://neurolog.polytech.unice.fr/doku.php?id=neurolog>

Proper Citation: NeuroLOG (RRID:SCR_010582)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented on July 16, 2013. The NeuroLOG consortium is addressing: *Management and access of partly structured data, heterogeneous and distributed in an open environment. *Access control and protection of private medical data. *Control of workflows implied in complex computing process on grid infrastructures. *Extraction and quantification of relevant parameters for different pathologies: Multiple sclerosis, Brain Vascular Stroke, Brain tumors Four application pipelines have been proposed in the context of the project. The pipelines are formalized using the ScufI data flow language. *Multiple Sclerosis image analysis pipelines *Brain Stroke application pipeline (from GIN) *Stroke / tumours Anacom application pipeline (from IFR49) Different softwares developed and/or used in this project are presented., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Synonyms: NeuroLOG Project, NeuroLOG

Resource Type: knowledge environment, software resource

Funding: French National Research Agency contract ANR-06-TLOG-024

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: NeuroLOG

Resource ID: SCR_010582

Alternate IDs: nlx_44086

Record Creation Time: 20220129T080259+0000

Record Last Update: 20260808T185922+0000

Ratings and Alerts

No rating or validation information has been found for NeuroLOG.

No alerts have been found for NeuroLOG.
