DIYgenomics

RRID:SCR_012243

Type: Tool

Proper Citation

DIYgenomics (RRID:SCR_012243)

Resource Information

URL: <http://www.scienceexchange.com/facilities/diygenomics>

Proper Citation: DIYgenomics (RRID:SCR_012243)

Description: DIYgenomics provides crowdsourced health research study protocol design and operation in pre-clinical and disease cohorts. Founded in 2010, the mission of DIYgenomics is the realization of preventive medicine through the integrated study of multiple health data streams. The generalized hypothesis for DIYgenomics studies is that one or more genetic polymorphisms (mutations) may result in out-of-bounds phenotypic biomarker conditions (for example, low Vitamin B blood levels), that may be ameliorated through personalized intervention.

Abbreviations: DIYgenomics

Resource Type: access service resource, core facility, service resource

Resource Name: DIYgenomics

Resource ID: SCR_012243

Alternate IDs: SciEx_11254

Record Creation Time: 20220129T080309+0000

Record Last Update: 20260912T200339+0000

Ratings and Alerts

No rating or validation information has been found for DIYgenomics.

No alerts have been found for DIYgenomics.
