Proper Citation: HB Custom Media (RRID:SCR_012379)

Description: HB Custom Media Inc. (HBCM) is a supplier of custom tissue culture media, reagents, supplements and mouse embryo culture media to the Research Use Only (RUO) market for cell culture and the culturing of embryonic stem (ES) cells, both human and mouse. The company was started with one simple idea; provide the research scientist with the ability to obtain high quality, custom tissue culture media and reagents for a lower cost with faster turnaround times and personalized service. H.B. Custom Media Inc. incorporates the flexible manufacturing expertise that made Specialty Media unique. This enables the company to modify schedules to deliver products faster than their competitors
