Proper Citation

University of Kansas Protein Production Group Core Facility (RRID:SCR_012484)

Resource Information

URL: <https://research.ku.edu/ku-core-research-labs>

Proper Citation: University of Kansas Protein Production Group Core Facility (RRID:SCR_012484)

Description: COBRE Protein Production Group focuses on the cloning, expression and purification of prokaryotic and eukaryotic proteins for COBRE and other investigators in Kansas and the region. The laboratory maintains a variety of equipment to support the production of properly folded proteins in quantities suitable for structural studies (X-ray and NMR), functional studies (catalytic or biological), label-free binding studies (SPR) and/or high throughput (HTP) screening studies.

Abbreviations: KU PPG

Synonyms: University of Kansas Protein Production Group, KU Protein Production Group

Resource Type: access service resource, core facility, service resource

Resource Name: University of Kansas Protein Production Group Core Facility

Resource ID: SCR_012484

Alternate IDs: SciEx_24

Old URLs: <http://www.scienceexchange.com/facilities/protein-production-group-ku>

Record Creation Time: 20220129T080310+0000

Record Last Update: 20260728T043410+0000

Ratings and Alerts

No rating or validation information has been found for University of Kansas Protein Production Group Core Facility.

No alerts have been found for University of Kansas Protein Production Group Core Facility.
