Proper Citation: Advanced Analytical Testing Service (RRID:SCR_012723)

Description: Advanced Analytical Testing Service (AATS) is dedicated to providing premium testing services for food, dietary supplement, biotechnology and cosmetic industries. AATS is established on our clients' greatest satisfaction with our sample processing, testing method development and post-testing consultation. Our goal is to report authentic and accurate testing results with optimal quality and minimum turnover time. AATS is FDA registered independent analytical testing provider that is familiar with cGMP, USP and ISO standards. AATS has established full quality system on personnel, training, sample receipt and handling, testing, quality control and documentation. We provide testing results of high quality, because we have a strong quality system built in our testing facilities.
