Resource Information

URL: <http://www.statcrunch.com>

Proper Citation: StatCrunch (RRID:SCR_013992)

Description: A web application which allows users to collect data, perform complex analyses, and generate results. Users can upload data sets from their computer or from the internet for data analysis and graph creation which can be saved, printed, and downloaded. More than 15,000 statistical data sets are available.

Resource Type: data or information resource, software resource, web application

Keywords: web application, statistics, data analysis, data set, graph

Availability: The community can contribute to this resource

Resource Name: StatCrunch

Resource ID: SCR_013992

License URLs: <http://www.statcrunch.com/terms.php>

Record Creation Time: 20220129T080318+0000

Record Last Update: 20260912T195811+0000
