Proper Citation: Paper Critic (RRID:SCR_014019)

Description: A database that archives publications and allows users to review and critique them. Users can write comments for and rate submitted publications for references, originality, argumentation, and reliability. Papercritic also collects tweets and blog posts about published papers to add as reviews and comments. Researchers who submit their published work to PaperCritic can keep track of multiple types of feedback. All reviews must be submitted with full identity disclosure.

Resource Type: data or information resource, database

Keywords: database, authoring, evaluation, peer review
