SCRATCH

RRID:SCR_014291

Type: Tool

Proper Citation

SCRATCH (RRID:SCR_014291)

Resource Information

URL: <http://scratch.proteomics.ics.uci.edu/index.html>

Proper Citation: SCRATCH (RRID:SCR_014291)

Description: Web protein structure and structural feature prediction server. Software suite includes predictors for secondary structure, relative solvent accessibility, disordered regions, domains, disulfide bridges, single mutation stability, residue contacts versus average, individual residue contacts and tertiary structure. User provides amino acid sequence and selects desired predictions, then submits to the server.

Synonyms: Scratch Protein Predictor

Resource Type: analysis service resource, data access protocol, production service resource, service resource, software resource, web service

Defining Citation: [PMID:15980571](#)

Keywords: Protein predictor, secondary structure, relative solvent accessibility, disordered regions, domains, disulfide bridges, single mutation stability, residue contacts versus average, individual residue contacts, tertiary structure prediction, bio.tools

Availability: Free, Freely available

Resource Name: SCRATCH

Resource ID: SCR_014291

Alternate IDs: biotools:scratch

Alternate URLs: <https://bio.tools/scratch>

Old URLs: <http://www.igb.uci.edu/servers/psss.html>

Record Creation Time: 20220129T080319+0000

Ratings and Alerts

No rating or validation information has been found for SCRATCH.

No alerts have been found for SCRATCH.

Data and Source Information
