Nephrotic Syndrome Study Network (NEPTUNE) (RRID:SCR_014380)

Resource Information

URL: <https://www.niddkrepository.org/studies/neptune/>

Proper Citation: Nephrotic Syndrome Study Network (NEPTUNE) (RRID:SCR_014380)

Description: A consortium of researchers conducting a cohort study that investigates the underlying disease mechanisms of pro non-inflammatory glomerular diseases. The aim is to elucidate pathogenesis and identify therapeutic targets for clinical trials. The study participants will be classified according to the kidney biopsy results into one of three subcohorts, including Minimal change disease/Focal segmental glomerulosclerosis; Membranous nephropathy; and other conditions.

Abbreviations: NEPTUNE

Synonyms: Nephrotic Syndrome Study Network

Resource Type: data or information resource, data set

Keywords: cohort study, pro non inflammatory glomerular disease, consortium, disease mechanism, pathogenesis, clinical trial, kidney

Related Condition: Kidney diseases, Nephrotic syndrome, Renal insufficiency, Chronic, Minimal change disease/Focal segmental glomerulosclerosis, Membranous nephropathy

Availability: Study is ongoing, Publications are available

Resource Name: Nephrotic Syndrome Study Network (NEPTUNE)

Resource ID: SCR_014380
