BluePyOpt

RRID:SCR_014753

Type: Tool

Proper Citation

BluePyOpt (RRID:SCR_014753)

Resource Information

URL: <https://github.com/BlueBrain/BluePyOpt>

Proper Citation: BluePyOpt (RRID:SCR_014753)

Description: An extensible framework for data-driven model parameter optimization that wraps and standardizes several existing open-source tools. BluePyOpt abstracts the optimization and evaluation tasks into various reusable and flexible discrete elements according to established best-practices. It also provides methods for setting up both small- and large-scale optimizations on a variety of platforms.

Synonyms: Blue Brain Python Optimization Library, Blue Brain Python Optimisation Library (BluePyOpt), Blue Brain Python Optimisation Library

Resource Type: simulation software, software application, software resource

Keywords: python, optimization, framework, library, brain, model parameter, neuroscience

Funding: European Union FP7 604102

Availability: Acknowledgement requested

Resource Name: BluePyOpt

Resource ID: SCR_014753

Alternate URLs: <http://www.nitrc.org/projects/bluepyopt/>

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260912T195821+0000

Ratings and Alerts

No rating or validation information has been found for BluePyOpt.

No alerts have been found for BluePyOpt.

Data and Source Information
