Pipeline Pilot

RRID:SCR_014917

Type: Tool

Proper Citation

Pipeline Pilot (RRID:SCR_014917)

Resource Information

URL: <http://accelrys.com/products/collaborative-science/biovia-pipeline-pilot/>

Proper Citation: Pipeline Pilot (RRID:SCR_014917)

Description: Software used to automate the process of accessing, analyzing and reporting scientific data. This software can be used by a person with little or no software development experience can create scientific protocols that can be executed through a variety of interfaces including: BIOVIA Web Port, other BIOVIA solutions such as BIOVIA Electronic Lab Notebook, Isentris, Chemical Registration and third-party applications such as Microsoft SharePoint. The protocols aggregate and provide immediate access to volumes of research data, they automate the scientific analysis of data and allow researchers to explore, visualize and report results.

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: automation, accessing, analysis, analyzing, scientific data, aggregation, aggregate, research, scientific

Availability: Commercial

Resource Name: Pipeline Pilot

Resource ID: SCR_014917

Record Creation Time: 20220129T080323+0000

Record Last Update: 20260912T200017+0000

Ratings and Alerts

No rating or validation information has been found for Pipeline Pilot.

No alerts have been found for Pipeline Pilot.

Data and Source Information
