Proper Citation: Data and Specimen Hub (NICHD DASH) (RRID:SCR_016314)

Description: Repository to store and access de-identified data from NICHD funded research studies for purposes of secondary research use. It serves as mechanism for NICHD-funded extramural and intramural investigators to share research data from studies in accordance with NIH Data Sharing Policy and NIH Genomic Data Sharing Policy.

Abbreviations: NICHD DASH, DASH

Synonyms: NICHD Data and Specimen Hub, Data and Specimen Hub

Resource Type: biospecimen repository, data repository, material storage repository, service resource, storage service resource

Funding: NICHD

Availability: Restricted

Resource Name: Data and Specimen Hub (NICHD DASH)

Resource ID: SCR_016314

Alternate IDs: r3d100012915
