RNA22

RRID:SCR_016507

Type: Tool

Proper Citation

RNA22 (RRID:SCR_016507)

Resource Information

URL: <https://cm.jefferson.edu/rna22/>

Proper Citation: RNA22 (RRID:SCR_016507)

Description: Software tool as a pattern based algorithm for detecting microRNA binding sites and their corresponding microRNA and mRNA complexes. Allows interactive exploration and visualization of miRNA target predictions. Permits link-out to external expression repositories and databases.

Abbreviations: RNA22

Synonyms: RiboNucleic Acid 22

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Keywords: pattern, based, detecting, microRNA, binding, site, complex, sequence, genome, analysis, FASEB list

Funding: A Star ;
Singapore ;
NIDDK DK04763;
NIH AI54973

Availability: Free, Available for download, Freely available

Resource Name: RNA22

Resource ID: SCR_016507

Record Creation Time: 20220129T080331+0000

Record Last Update: 20260912T195840+0000

Ratings and Alerts

No rating or validation information has been found for RNA22.

No alerts have been found for RNA22.
