Rsubread

RRID:SCR_016945

Type: Tool

Proper Citation

Rsubread (RRID:SCR_016945)

Resource Information

URL: <https://bioconductor.org/packages/release/bioc/html/Rsubread.html>

Proper Citation: Rsubread (RRID:SCR_016945)

Description: Software R package for sequence alignment and counting for R. Used for analyses of second and third generation sequencing data, for read mapping, read counting, SNP calling, short and long read alignment, quantification and mutation discovery. Includes assessment of sequence reads, read alignment, read summarization, exon-exon junction detection, fusion detection, detection of short and long indels, absolute expression calling and SNP calling. Can be used with reads generated from any of the major sequencing platforms including Illumina GA/HiSeq/MiSeq, Roche GS-FLX, ABI SOLiD and LifeTech Ion PGM/Proton sequencers.

Resource Type: alignment software, data analysis software, data processing software, image analysis software, software application, software resource

Defining Citation: [PMID:23558742](#)

Keywords: sequence, alignment, counting, multi, seed, strategy, mapping, read, reference, genome, analysis, data, SNP, calling, mutation, discovery, bio.tools

Funding: Australian Government ;
Australian National Health and Medical Research Council ;
Victorian State Government Operational Infrastructure Support

Availability: Free, Available for download, Freely available

Resource Name: Rsubread

Resource ID: SCR_016945

Alternate IDs: biotools:rsubread

Alternate URLs: <https://bio.tools/rsubread>

License: GPL 3

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260912T195846+0000

Ratings and Alerts

No rating or validation information has been found for Rsubread.

No alerts have been found for Rsubread.
