## DIANA-mirPath

RRID:SCR\_017354

Type: Tool

### Proper Citation

DIANA-mirPath (RRID:SCR\_017354)

### Resource Information

**URL:** <http://snf-515788.vm.oceanos.grnet.gr/>

**Proper Citation:** DIANA-mirPath (RRID:SCR\_017354)

**Description:** Web tool for integrating human and mouse microRNAs in pathways. Pathway analysis web-server, providing statistics, while being able to accommodate advanced pipelines. Web server for assessment of miRNA regulatory roles and identification of controlled pathways. Supports all analyses for KEGG molecular pathways and Gene Ontology (GO) in seven species (Homo sapiens, Mus musculus, Rattus norvegicus, Drosophila melanogaster, Caenorhabditis elegans, Gallus gallus and Danio rerio). DIANA miRPath v.2.0 includes investigating combinatorial effect of microRNAs in pathways. DIANA-miRPath v3.0 includes deciphering microRNA function with experimental support., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16, 2025.

**Synonyms:** miRPath, miRPathv3, miRPathv2, DIANA-miRPath v2.0, DIANA-miRPath v3.0

**Resource Type:** analysis service resource, data access protocol, data analysis service, production service resource, service resource, software resource, web service

**Defining Citation:** [PMID:25977294](#), [PMID:19435746](#), [PMID:22649059](#)

**Keywords:** Pathway, analysis, statistics, assessment, miRNA, identify, regulatory, role, bio.tools
