EnhancedVolcano

RRID:SCR_018931

Type: Tool

Proper Citation

EnhancedVolcano (RRID:SCR_018931)

Resource Information

URL: <https://bioconductor.org/packages/EnhancedVolcano/>

Proper Citation: EnhancedVolcano (RRID:SCR_018931)

Description: Software R package to produce publication ready volcano plots with enhanced colouring and labeling. Used to visualise results of differential expression analyses.

Resource Type: data visualization software, software resource, software application, data processing software

Keywords: Publication ready plot, enhanced coloring, enhanced labeling, data visualisation, differential expression analyses, plot, volcano plot

Availability: Free, Available for download, Freely available

Resource Name: EnhancedVolcano

Resource ID: SCR_018931

Alternate URLs: <https://github.com/kevinblighe/EnhancedVolcano>

License: GNU GPL v3

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260729T044501+0000

Ratings and Alerts

No rating or validation information has been found for EnhancedVolcano.

No alerts have been found for EnhancedVolcano.

Data and Source Information
