Bonsai

RRID:SCR_021512

Type: Tool

Proper Citation

Bonsai (RRID:SCR_021512)

Resource Information

URL: <https://github.com/bonsai-rx/bonsai>

Proper Citation: Bonsai (RRID:SCR_021512)

Description: Software tool as event based framework for processing and controlling data streams. Open source software tool as visual language for reactive programming.Used for composing reactive and asynchronous data streams coming from video cameras, microphones, electrophysiology systems or data acquisition boards.

Resource Type: data acquisition software, data processing software, software application, software resource

Defining Citation: [DOI:10.3389/fninf.2015.00007](https://doi.org/10.3389/fninf.2015.00007)

Keywords: Reactive programming visual language, composing reactive data streams, composing asynchronous data streams, video cameras data, microphones data, electrophysiology systems data, data acquisition boards, OpenBehavior

Availability: Free, Available for download, Freely Available

Resource Name: Bonsai

Resource ID: SCR_021512

Alternate URLs: <https://edspace.american.edu/openbehavior/project/bonsai/>

License: MIT License

Record Creation Time: 20220129T080356+0000

Record Last Update: 20260912T195957+0000

Ratings and Alerts

No rating or validation information has been found for Bonsai.

No alerts have been found for Bonsai.
