Residue Iteration Decomposition

RRID:SCR_022174

Type: Tool

Proper Citation

Residue Iteration Decomposition (RRID:SCR_022174)

Resource Information

URL: <http://cns.hkbu.edu.hk/RIDE.htm>

Proper Citation: Residue Iteration Decomposition (RRID:SCR_022174)

Description: Software Matlab based toolbox for temporal decomposition of EEG signal. Used for decomposition, reconstruction, and single trial analysis of event related potentials.

Abbreviations: RIDE

Synonyms: Residue Iteration DEcomposition

Resource Type: software resource, software toolkit

Defining Citation: [PMID:25455337](#)

Keywords: temporal decomposition of EEG signal, EEG, event related potentials, single trial analysis, event related brain potentials, ERP, ERP decomposition method, ERP reconstruction, Latency variability, residue iteration decomposition, single trial analysis

Funding: Germany Hong Kong Joint Research Scheme ;
Hong Kong Baptist University ;
Hong Kong Research Grant Council ;
National Natural Science Foundation of China

Availability: Free, Available for download, Freely available

Resource Name: Residue Iteration Decomposition

Resource ID: SCR_022174

Record Creation Time: 20220421T050139+0000

Record Last Update: 20260912T200300+0000

Ratings and Alerts

No rating or validation information has been found for Residue Iteration Decomposition.

No alerts have been found for Residue Iteration Decomposition.

Data and Source Information
