Proper Citation: Creative Biolabs Model Organism Antibodies Service Resource (RRID:SCR_022177)

Description: Antibody group provides researchers with functional proteomics research platform. Antibody customization service provider. Custom antibody development team can work with you to create customized antibody solution to meet your specific research needs. Provides monoclonal antibody screening. Prepares monoclonal antibody library to screen monoclonal antibodies for appropriate peptide epitope of each protein.

Resource Type: antibody supplier, commercial organization, material resource, reagent supplier

Keywords: Creative Biolabs, monoclonal antibody development, Model Organisms for Biomedical Research, functional proteomics, monoclonal antibody screening, biomedical service

Availability: Restricted

Resource Name: Creative Biolabs Model Organism Antibodies Service Resource

Resource ID: SCR_022177

Record Creation Time: 20220427T191217+0000

Record Last Update: 20260912T200006+0000

Ratings and Alerts

No rating or validation information has been found for Creative Biolabs Model Organism Antibodies Service Resource.

No alerts have been found for Creative Biolabs Model Organism Antibodies Service Resource.
