RDP Classifier

RRID:SCR_022773

Type: Tool

Proper Citation

RDP Classifier (RRID:SCR_022773)

Resource Information

URL: <https://sourceforge.net/projects/rdp-classifier/>

Proper Citation: RDP Classifier (RRID:SCR_022773)

Description: Software tool as naive Bayesian classifier that can rapidly and accurately provide taxonomic assignments from domain to genus, with confidence estimates for each assignment.

Synonyms: Ribosomal Database Project Classifier

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: naive Bayesian classifier, provide taxonomic assignments from domain to genus, confidence estimates for each assignment,

Availability: Free, Available for download, Freely available

Resource Name: RDP Classifier

Resource ID: SCR_022773

Alternate URLs: <http://rdp.cme.msu.edu/>, <https://github.com/rdpstaff/classifier>

License: GNU GPL v2.0

Record Creation Time: 20220922T050155+0000

Record Last Update: 20260912T200029+0000

Ratings and Alerts

No rating or validation information has been found for RDP Classifier.

No alerts have been found for RDP Classifier.

Data and Source Information
