Proper Citation: Abagen (RRID:SCR_023832)

Description: Software package provides Python interface for acquiring and analyzing Allen Human Brain Atlas microarray expression data. Includes reproducible workflow for processing microarray expression data for further analysis. Used for the Allen Brain Atlas genetics data.

Resource Type: software application, software resource, data processing software, data analysis software

Keywords: Allen Human Brain Atlas, Allen Brain Atlas genetics data, genetics data, microarray expression data,

Availability: Free, Available for download, Freely available

Resource Name: Abagen

Resource ID: SCR_023832

Record Creation Time: 20230721T050220+0000

Record Last Update: 20260728T043702+0000
