Brainreg-segment

RRID:SCR_023853

Type: Tool

Proper Citation

Brainreg-segment (RRID:SCR_023853)

Resource Information

URL: <https://github.com/brainlobe/brainreg-segment>

Proper Citation: Brainreg-segment (RRID:SCR_023853)

Description: Software tool for manual segmentation of regions/objects within the brain. Brainreg-segment will only work if the user registers their data with brainreg first. Used for segmentation of 3D shapes in common anatomical space.

Resource Type: data processing software, image analysis software, segmentation software, software application, software resource

Keywords: Allen Mouse Brain Atlas, Allen Human Brain Atlas, brain imaging, regions segmentation, objects segmentation, segmentation within the brain,

Availability: Free, Available for download, Freely available

Resource Name: Brainreg-segment

Resource ID: SCR_023853

License: BSD 3-Clause

Record Creation Time: 20230721T050220+0000

Record Last Update: 20260912T200043+0000

Ratings and Alerts

No rating or validation information has been found for Brainreg-segment.

No alerts have been found for Brainreg-segment.
