NCBI accession download script

RRID:SCR_024130

Type: Tool

Proper Citation

NCBI accession download script (RRID:SCR_024130)

Resource Information

URL: <https://github.com/kblin/ncbi-acc-download>

Proper Citation: NCBI accession download script (RRID:SCR_024130)

Description: Software tool as partner script to the popular ncbi-genome-download script. Allows to download sequences from GenBank/RefSeq by accession through the NCBI ENTREZ API.

Synonyms: ncbi-acc-download

Resource Type: software application, software resource

Keywords: download sequences, GenBank/RefSeq, accession through NCBI ENTREZ API,

Availability: Free, Available for download, Freely available,

Resource Name: NCBI accession download script

Resource ID: SCR_024130

Alternate URLs: <https://sources.debian.org/src/ncbi-acc-download/>

License: Apache-2.0 license

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260912T200307+0000

Ratings and Alerts

No rating or validation information has been found for NCBI accession download script.

No alerts have been found for NCBI accession download script.

Data and Source Information
