[nanosttringqcpro](#)

RRID:SCR_024250

Type: Tool

Proper Citation

nanosttringqcpro (RRID:SCR_024250)

Resource Information

URL: <https://bioconductor.org/packages/NanoStringQCPro/>

Proper Citation: nanosttringqcpro (RRID:SCR_024250)

Description: Software R package to assess quality of NanoString mRNA gene expression data, to identify outlier probes and outlier samples. Provides different background subtraction and normalization approaches for this data. It outputs suggestions for flagging samples/probes and easily sharable html quality control output.

Resource Type: software resource, software toolkit

Keywords: assess quality of NanoString mRNA gene expression data, identify outlier probes and outlier samples,

Availability: Free, Available for download, Freely available,

Resource Name: nanosttringqcpro

Resource ID: SCR_024250

Alternate URLs: <https://sources.debian.org/src/r-bioc-nanosttringqcpro/>

Record Creation Time: 20230830T050217+0000

Record Last Update: 20260912T200116+0000

Ratings and Alerts

No rating or validation information has been found for nanosttringqcpro.

No alerts have been found for nanosttringqcpro.

Data and Source Information

Usage and Citation Metrics

We found 7 mentions in open access literature.

Listed below are recent publications. The full list is available at [SPARC SAWG](#) .
