Augusta University Human Physiology Core Facility

RRID:SCR_027270

Type: Tool

Proper Citation

Augusta University Human Physiology Core Facility (RRID:SCR_027270)

Resource Information

URL: <https://www.augusta.edu/research/core/human-physiology.php>

Proper Citation: Augusta University Human Physiology Core Facility (RRID:SCR_027270)

Description: Core provides services including body/bone composition, comprehensive assessments of cardiovascular health (conduit vessel, microvascular, and central arterial stiffness), comprehensive assessment of lung health (spirometry, diffusion, lung clearance index, exhaled NO), and metabolic/exercise testing. Expanded core services in humans include oral glucose tolerance testing and continuous glucose monitoring, 24h ambulatory blood pressure monitoring, and assessments of autonomic nervous system, cognitive function, mitochondrial function, intramuscular fat, and electrocardiograms.

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, body/bone composition, comprehensive assessments of cardiovascular health, metabolic/exercise testing,

Resource Name: Augusta University Human Physiology Core Facility

Resource ID: SCR_027270

Alternate IDs: ABRF_4070

Alternate URLs: https://coremarketplace.org/RRID:SCR_027270/?citation=1
