Proper Citation: Roswell Park Comprehensive Cancer Center Comparative Oncology
Shared Resource COSR Core Facility (RRID:SCR_028389)

Description: Core offers services for preclinical models including barrier facilities with fully automated environmental controls for the housing of research models. Specialized husbandry with trained staff who perform all manipulations inside Biosafety cabinets for maintenance of a pathogen-free environment for models held in micro isolation (MI) housing systems. In addition to housing pre-clinical models in state-of-the-art facilities, COSR provides Specialized Surgical Services and procedural training, consultation in experimental design, irradiation services, in-house hematological testing, genotyping services, design and conduct of pre-clinical toxicological studies.

Synonyms: Comparative Oncology Shared Resource (COSR)

Resource Type: access service resource, core facility, service resource
