Proper Citation: Arizona State University Knowledge Enterprise Preclinical Imaging Core Facility (RRID:SCR_028601)

Description: Core is dedicated to advancing biomedical discovery through modern and highly advanced imaging technologies. Provides access to high-resolution, non- and minimally invasive imaging tools that enable visualization of biological processes in vivo. Core offers imaging services including MR Solutions Multi-Field MRI systems (3T, 7T, and 9.4T) for detailed anatomical and functional imaging, the IVIS Lumina S5 platform for sensitive bioluminescence and fluorescence imaging, and the TriTom Photoacoustic Imager for high-contrast 3D photoacoustic visualization and multi-spectral imaging of molecular and vascular dynamics. Facility supports a wide range of preclinical applications. These include longitudinal animal studies, drug development, biomarker discovery, and validation of novel imaging agents.

Synonyms: Arizona State University Knowledge Enterprise Preclinical Imaging Core Facility

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, imaging services, longitudinal animal studies, drug development, biomarker discovery, validation of novel imaging agents,

Availability: Open

Resource Name: Arizona State University Knowledge Enterprise Preclinical Imaging Core Facility

Resource ID: SCR_028601

Alternate IDs: ABRF_6007

Alternate URLs: https://coremarketplace.org/RRID:SCR_028601/?citation=1

Record Creation Time: 20260624T044607+0000

Record Last Update: 20260912T200555+0000

Ratings and Alerts

No rating or validation information has been found for Arizona State University Knowledge Enterprise Preclinical Imaging Core Facility.

No alerts have been found for Arizona State University Knowledge Enterprise Preclinical Imaging Core Facility.
