PCAF antibody

RRID:AB_369783

Type: Antibody

Proper Citation

(GeneTex Cat# GTX12188, RRID:AB_369783)

Antibody Information

URL: http://antibodyregistry.org/AB_369783

Proper Citation: (GeneTex Cat# GTX12188, RRID:AB_369783)

Target Antigen: PCAF antibody

Host Organism: rabbit

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: IgG; IgG IP: 5-10µg of antibody immunoprecipitates PCAF from RIPA lysate with $\sim 4 \times 10^7$ human acute T cell leukemia Jurkat cells. WB: Use at a dilution of 1/500 (determined using whole extracts of human epidermoid carcinoma A431, dog MDCK kidney cells or recombinant active human PCAF and a chemiluminescent detection reagent). Predicted molecular weight: 88 kDa. In some extract preparations, additional band(s) may appear. Staining of PCAF band(s) by immunoblotting is inhibited by the PCAF immunizing peptide. Not tested in other applications. Optimal dilutions/concentrations should be determined by the end user. Immunoprecipitation, Western blot.; Immunoprecipitation; Western Blot

Antibody Name: PCAF antibody

Description: This polyclonal targets PCAF antibody

Target Organism: canine, chickenbird

Antibody ID: AB_369783

Vendor: GeneTex

Catalog Number: GTX12188

Record Creation Time: 20231110T081238+0000

Record Last Update: 20241115T035711+0000

Ratings and Alerts

No rating or validation information has been found for PCAF antibody.

Warning: Discontinued at GeneTex

Discontinued; manufacturer recommendations: IgG; IgG IP: 5-10µg of antibody immunoprecipitates PCAF from RIPA lysate with $\sim 4 \times 10^7$ human acute T cell leukemia Jurkat cells.
