MMP21 antibody

RRID:AB_372262

Type: Antibody

Proper Citation

(GeneTex Cat# GTX11637, RRID:AB_372262)

Antibody Information

URL: http://antibodyregistry.org/AB_372262

Proper Citation: (GeneTex Cat# GTX11637, RRID:AB_372262)

Target Antigen: MMP21 antibody

Host Organism: rabbit

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: IgG; IgG Other; Western Blot; WB: Use at an assay dependent dilution. A minimum working antibody dilution of 1/1000 is determined by blotting a tissue cell lysate with an alkaline phosphatase conjugated secondary antibody and BCIP/NBT as the substrate. A starting dilution of 1/5000 of GTX11637 is recommended for chemiluminescent substrates. By blotting against the reduced protein, the antibody identifies bands at 70 kDa and 66 kDa. This is larger than the predicted 65 kDa and possibly represents alternative splicing, post translational modifications, aggregation, or other phenomenon. Not tested in other applications. Optimal dilutions/concentrations should be determined by the end user. Western Blot.

Antibody Name: MMP21 antibody

Description: This polyclonal targets MMP21 antibody

Target Organism: rat, xenopusamphibian, mouse, human

Antibody ID: AB_372262

Vendor: GeneTex

Catalog Number: GTX11637

Record Creation Time: 20241016T220329+0000

Record Last Update: 20241016T220652+0000

Ratings and Alerts

No rating or validation information has been found for MMP21 antibody.

Warning: Discontinued at GeneTex

Discontinued; manufacturer recommendations: IgG; IgG Other; Western Blot; WB: Use at an assay dependent dilution.
