Resource Information

URL: http://www.pymol.org/

Description: A user-sponsored molecular visualization software system on an open-source foundation. The software has the capabilities to view, render, animate, export, present and develop three dimensional molecular structures.

Resource Name: PyMOL

Proper Citation: PyMOL (RRID:SCR_000305)

Resource Type: Resource, animation software, data processing software, software application, data visualization software, 3d visualization software, software resource, rendering software

Keywords: visualization, open source, molecule, data visualization software, 3d, molecular structure

Resource ID: SCR_000305

Availability: Open source, Sign in required for download, Maintained and distributed by Schrodinger LLC

Website Status: Last checked up

Alternate IDs: nlx_156834

Mentions Count: 2994
