Resource Information

URL: http://www.nitrc.org/projects/maps4mipav/

Proper Citation: Maps4Mipav (Exploratory JIST) (RRID:SCR_000613)

Description: The exploratory development tree of Java Image Science Toolkit (JIST), an extension to the MIPAV (Medical Image Processing, Analysis, and Visualization) plug-in framework that allows the user to design and execute pipelines, which are multi-stage processing tasks. New features and designs are tested here before general release into the JIST project. JIST was formerly known as the MedIC Automated Pipeline Scheduler (MAPS).

Abbreviations: Maps4Mipav,

Synonyms: MedIC Automated Pipeline Scheduler Medical Image Processing Analysis and Visualization

Resource Type: source code, software resource

Keywords: magnetic resonance

Availability: GNU Lesser General Public License, Registration required

Resource Name: Maps4Mipav (Exploratory JIST)

Resource ID: SCR_000613
