DHS Program (RRID:SCR_000905)

Resource Information

URL: <http://www.measuredhs.com>

Proper Citation: DHS Program (RRID:SCR_000905)

Description: A program that provides technical assistance for surveys that aim to advance global understanding of health and population trends in developing countries. The DHS program collects, analyzes, and disseminates accurate and representative data on population, health, HIV, and nutrition through more than 300 surveys in over 90 countries.

Synonyms: The Demographic and Health Surveys Program

Resource Type: data or information resource, database, group, training resource

Keywords: survey, global, health, population, trends, developing, countries, data, hiv, nutrition, FASEB list

Funding:

Resource Name: DHS Program

Resource ID: SCR_000905

Alternate IDs: nlx_156927

Record Creation Time: 20220129T080204+0000

Record Last Update: 20250429T054634+0000

Ratings and Alerts

No rating or validation information has been found for DHS Program.

No alerts have been found for DHS Program.
