Resource Information

URL: https://github.com/ekg/vcflib

Description: A C++ library for parsing and manipulating Variant Call Format (VCF) files, and many command-line utilities. The API provides a quick and extremely permissive method to read and write VCF files. Extensions and applications of the library provided in the included utilities (*.cpp) comprise the vast bulk of the library's utility for most users.

Resource Name: vcflib

Proper Citation: vcflib (RRID:SCR_001231)

Resource Type: Resource, software resource, software toolkit, software library

Keywords: c++, sequence variation, genomic variation

Resource ID: SCR_001231

Availability: MIT License

Website Status: Last checked up

Alternate IDs: OMICS_02112

Abbreviations: vcflib

Mentions Count: 30

Ratings and Alerts
No rating or validation information has been found for vcflib.

No alerts have been found for vcflib.
