EarthChem

RRID:SCR_002207

Type: Tool

Proper Citation

EarthChem (RRID:SCR_002207)

Resource Information

URL: <http://www.earthchem.org/>

Proper Citation: EarthChem (RRID:SCR_002207)

Description: Accepts and makes available geochemical, geochronological, and petrological data (analytical and synthesis) through this community-driven effort to facilitate the preservation, discovery, access and visualization of data generated. * PetDB holds geochemical data from sub-oceanic igneous and metamorphic rocks generated at mid-ocean ridges including back-arc basins, young seamounts, and old oceanic crust. Data are compiled primarily from the published literature. * SedDB integrates marine and terrestrial sediment geochemical data compiled primarily from the published literature. * Deep Lithosphere Data Set contains geochemical and petrological data from lower crust and upper mantle xenoliths. (more info) * VentDB contains hydrothermal spring geochemistry that hosts and serves the full range of compositional data acquired on seafloor hydrothermal vents from all tectonic settings. * NAVDAT - The Western North American Volcanic and Intrusive Rock Database * Geochron is an application that helps with the onerous task of data management for geochronological and thermochronological studies. * EarthChemPortal is the one-stop-shop for geochemical data that gives users the ability to search federated databases PetDB, NAVDAT, and GEOROC simultaneously, integrated into a common output format. (more info) * The EarthChem Library is a repository for geochemical datasets (analytical data, experimental data, synthesis databases) and other digital resources relevant to the field of geochemistry, contributed by the geochemistry community. * SESAR - System for Earth Sample Registration

Abbreviations: EarthChem

Synonyms: IEDA: EarthChem

Resource Type: service resource, storage service resource, data or information resource,

data repository, database

Keywords: geochemical, geochronological, petrological

Funding: NSF

Availability: Acknowledgement requested, The community can contribute to this resource

Resource Name: EarthChem

Resource ID: SCR_002207

Alternate IDs: nlx_154721

Record Creation Time: 20220129T080212+0000

Record Last Update: 20250426T055526+0000

Ratings and Alerts

No rating or validation information has been found for EarthChem.

No alerts have been found for EarthChem.
