Smithsonian Mineral Sciences Collections

RRID:SCR_002217

Type: Tool

Proper Citation

Smithsonian Mineral Sciences Collections (RRID:SCR_002217)

Resource Information

URL: <http://mineralsciences.si.edu/collections.htm>

Proper Citation: Smithsonian Mineral Sciences Collections (RRID:SCR_002217)

Description: National facility for curating meteorite, rock, ore, gem, and mineral specimens that are available to the public via a standard web interface. New records and associated images are added continuously and are made available on an approximately monthly basis. There are currently over 350,000 records available. Every year hundreds of specimens are loaned to scientists around the world for research projects in geology, materials science, health, chemistry, physics, etc.

Abbreviations: Smithsonian Mineral Sciences Collections

Synonyms: Smithsonian Institution National Museum of Natural History Mineral Sciences Collections, Smithsonian Institution Mineral Sciences Collections

Resource Type: data or information resource, database

Keywords: rock, mineral, specimen, meteorite, ore, gem, image

Funding:

Availability: Public

Resource Name: Smithsonian Mineral Sciences Collections

Resource ID: SCR_002217

Alternate IDs: nlx_154739

Record Creation Time: 20220129T080212+0000

Record Last Update: 20250523T054229+0000

Ratings and Alerts

No rating or validation information has been found for Smithsonian Mineral Sciences Collections.
