flowFit

RRID:SCR_002286

Type: Tool

Proper Citation

flowFit (RRID:SCR_002286)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/flowFit.html>

Proper Citation: flowFit (RRID:SCR_002286)

Description: A Bioconductor package designed to perform quantitative analysis of cell proliferation in tracking dye-based experiments. The package uses an R implementation of the Levenberg-Marquardt algorithm (minpack.lm) to fit a set of peaks (corresponding to different generations of cells) over the proliferation-tracking dye distribution in a FACS experiment.

Synonyms: flowFit - Estimate proliferation in cell-tracking dye studies

Resource Type: software resource

Defining Citation: [PMID:24681909](https://pubmed.ncbi.nlm.nih.gov/24681909/)

Keywords: software package, mac os x, unix/linux, windows, r, cell based assay, flow cytometry

Funding:

Availability: Artistic License, v2

Resource Name: flowFit

Resource ID: SCR_002286

Alternate IDs: OMICS_05601

Record Creation Time: 20220129T080212+0000

Record Last Update: 20250410T064848+0000

Ratings and Alerts

No rating or validation information has been found for flowFit.

No alerts have been found for flowFit.
