Misterl

RRID:SCR 002317

Type: Tool

Proper Citation

Misterl (RRID:SCR_002317)

Resource Information

URL: http://www.nitrc.org/projects/misteri/

Proper Citation: Misterl (RRID:SCR_002317)

Description: A powerful and modular medical image viewer/editor. It should be particularly useful to Undergraduates, Postdocs and Researchers in Medical Imaging to visualize data and to easily make attractive figures (for papers or presentations). It will also in a near future offer a number of advanced algorithms for medical image processing. Look at the video to get an idea! http://www.benoitscherrer.com/Misterl/videos.html

Abbreviations: Mr. I, Mr I

Resource Type: image processing software, data processing software, software resource, data visualization software, software application

Keywords: c++, mgh/mgz, magnetic resonance, nifti, nrrd, visualization

Funding:

Availability: Cardware, Http://www.nitrc.org/include/glossary.php#697

Resource Name: Misterl

Resource ID: SCR_002317

Alternate IDs: nlx_155666

Record Creation Time: 20220129T080212+0000

Record Last Update: 20250412T054702+0000

Ratings and Alerts

No rating or validation information has been found for Misterl.

No alerts have been found for Misterl.
