Proper Citation: NITRC Enhanced Services (RRID:SCR_002494)

Description: Support and community integration for the enhanced NITRC services of the Image Repository (IR) and the Computational Environment (CE). The NITRC Computational Environment, an on-demand, cloud based computational virtual machine pre-installed with popular NITRC neuroimaging tools built using NeuroDebian. NITRC Image Repository is built upon XNAT and supports both NIfTI and DICOM images. The NITRC-IR offers 3,733 Subjects, and 3,743 Imaging Sessions searchable across seven projects to promote re-use and integration of valuable NIH-funded data.

Resource Type: Resource, portal, service resource, community building portal, data or information resource

Keywords: data, database, data resource, dicom, domain independent, information resource, nifti, platform or development environment, software

Parent Organization: NeuroImaging Tools and Resources Collaboratory (NITRC)

Related resources: NITRC Computational Environment, NITRC-IR

Availability: GNU General Public License

Website Status: Last checked up

Abbreviations: NITRC Enhanced Services

Resource Name: NITRC Enhanced Services
Resource ID: SCR_002494
Alternate IDs: nlx_155890

Ratings and Alerts
No rating or validation information has been found for NITRC Enhanced Services.
