**Vaa3D**

RRID:SCR_002609  
Type: Tool

**Proper Citation**

Vaa3D (RRID:SCR_002609)

**Resource Information**

**URL:** [http://www.vaa3d.org](http://www.vaa3d.org)

**Proper Citation:** Vaa3D (RRID:SCR_002609)

**Description:** A handy, fast, and versatile 3D/4D/5D Image Visualization & Analysis System for Bioimages & Surface Objects. Vaa3D is a cross-platform (Mac, Linux, and Windows) tool for visualizing large-scale (gigabytes, and 64-bit data) 3D/4D/5D image stacks and various surface data. It is also a container of powerful modules for 3D image analysis (cell segmentation, neuron tracing, brain registration, annotation, quantitative measurement and statistics, etc) and data management. Vaa3D is very easy to be extended via a powerful plugin interface. For example, many ITK tools are being converted to Vaa3D Plugins. Vaa3D-Neuron is built upon Vaa3D to make 3D neuron reconstruction much easier. In a recent Nature Biotechnology paper (2010, 28(4), pp.348-353) about Vaa3D and Vaa3D-Neuron, an order of magnitude of performance improvement (both reconstruction accuracy and speed) was achieved compared to other tools.

**Abbreviations:** Vaa3D, Vaa3D-Neuron

**Synonyms:** 3D Visualization-Assisted Analysis, Vaa3D and Vaa3D-Neuron, Vaa3D: A Swiss army knife for bioimage visualization & analysis, Vaa3D: A Swiss army knife for bioimage visualization and analysis, V3D, V3D-Neuron

**Resource Type:** data visualization software, data processing software, data management software, software resource, image analysis software, software application, software toolkit

**Defining Citation:** [PMID:20231818](https://www.ncbi.nlm.nih.gov/pubmed/20231818)

**Keywords:** reusable library, atlas application, c, c++, cygwin, fiber tracking, gnome, image display, kde, linux, macos, microsoft, magnetic resonance, neuronal characterization,
development environment, position, posix/unix-like, quantification, registration, rendering, resampling, segmentation, shape analysis, spatial transformation, surface analysis, tractography, visualization, volumetric analysis, warping, win32 (ms windows), windows, windows 95/98/2000, windows nt/2000, windows vista, windows xp, 3d neuron reconstruction, 3d, neuron, reconstruction, microscopy

**Funding Agency:** Howard Hughes Medical Institute

**Availability:** v3D License 2010-April, Http://www.nitrc.org/include/glossary.php#581

**Resource Name:** Vaa3D

**Resource ID:** SCR_002609

**Alternate URLs:** http://www.nitrc.org/projects/v3d

---

**Ratings and Alerts**

No alerts have been found for Vaa3D.
